*Does your CB call
lie within these numbers?*

10W0015 to 10W4675

10Q0001 to 10Q3227

KEG0001 to KEG4202

Then YOU are in for an exclusive service! Yes — it's true, the 10th CB call area is one of the first to have it's own exclusive all-CB store and distributor.

Our stock moves very fast and as a result we have only the very latest equipment on our shelves — no tired old sets gathering dust for months. Because of this, you are assured of receiving the latest production-runs available which incorporate the most recent manufacturer modifications. We sell service, not just radios, because we are interested in a better CB service. If it isn't good, we won't sell it! ALL equipment sold MUST meet our exacting standards.

See us for personalized service and free on-the-air demonstrations of:

★ Transceivers (top brands only)

★ Antennas (latest types)

★ Crystals
(complete stock, guaranteed)

★ Station Accessories
(you name it, we've got it)

Full-time FCC licensed, qualified CB service expert on hand for frequency checks, repairs, modifications, and to help you work out your installation problems.

We allow 20% overallowance trade-ins on certain equipment. See us for your re-conditioned equipment needs too!

We also carry a complete line of industrial FM two-way radio equipment (40 watts)! You can trade your CB equipment towards it.

Exclusive Oklahoma distributor for
all Horizons Publications.
